## NEW GENERATION FILL VALVES

- The fastest fill valve on the market
- Made in Czech Republic
- Extended warranty 6 years
- Lower carbon footprint – use of recycled material

### SALE OF STOCK

The new side fill valves replace the existing range of side fill valves.

They will be shipped gradually during the 1st quarter after the stock of existing fill valves has been sold out.

If a new filling valve is shipped, the customer will be informed by Alcaplast's invoicing or logistics department.

## SIDE FILL VALVES

We have designed the brand new range of fill valves primarily to be fast, exceptionally resistant to impurities contained in water and to perfectly withstand a wide range of pressures 0.05–1.6 MPa (0.5–16 bar) in various countries around the world.

**EASY MAINTENANCE AND FAST SERVICE**

Cleaning the filter using **CLICK system** without a need of dismantling the tube

**INCREASED DURABILITY AGAINST IMPURITIES**

Secured by a **conical shape of the filter**

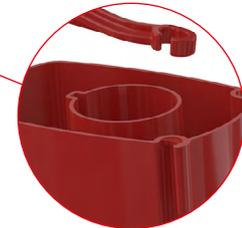

**EXTRA FAST FILLING**

**2 times faster** filling without the use of a water flow regulator

**SILENT FILLING**  
With a regulator of the water flow

**MAXIMUM RELIABILITY**

The new membrane works even within the water pressure fluctuations of **0.05–1.6 MPa (0.5–16 bar)**

**NO RECOIL**  
Thanks to the smooth closing of the valve

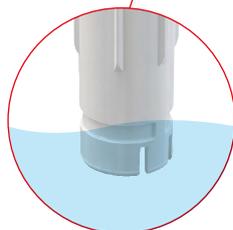

**LONGER LIFETIME**

The fill valve is made of a material which is **more resistant against limescale**

**UNIVERSAL**

Designed for plastic and ceramic **WC cisterns and pre-wall installation systems**

**ALWAYS THE SAME WATER LEVEL**

Regardless of the water pressure in the pipes

**Presentation paper stand**

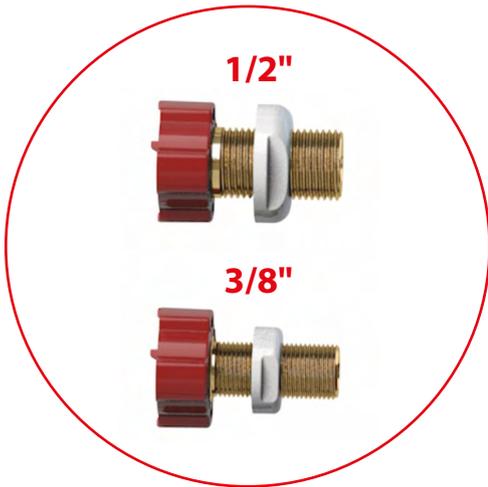

**NEW**

# UNIVERSAL SIDE FILLING VALVES

A comfortable solution for plumbers or end customers who are not sure which type of valve they need for their cistern.

**Each package contains  
2 types of threads**

**For all types  
of WC cisterns**

**SUITABLE FOR:**

- All plastic and ceramic cisterns
- All WC systems ALCA
- Most of competing WC systems with separate valve holder

## A160UNI

Side inlet fill valve metal thread, universal

*Filling valve holder  
for WC systems ALCA*

**PACKED IN A BOX**

## A150UNI

Side inlet fill valve, universal

**PACKED IN A BAG**
