Innovations for easier and faster installation of the plastic shower drain

We have focused on the installation of the shower drain. Our engineers have simplified the fixing of adjustable feet and thus have significantly increased the speed of the construction preparation process. It applies to plastic shower drains APZ8, APZ9, APZ10, APZ18, APZ12 and APZ22. Innovated design of shower drains will be launched on the market from June 2020.

- **Innovation for easier installation of the shower drain**
- **Made in Czech Republic**
- **Extended warranty 6 years**
