## Unification of the bath waste and trap designs

### ■ We introduce **A553K, A553KM1**

To cover the full range of bath wastes and traps in a modern design with sharp lines, proposed by the famous designer Ing. arch. Ivo Nahálka, we expand the offer by two new models with metal finish. These products complement your favorite models A55K and A55KM.

**A553K**

**A553KM1**

## Temporarily unavailable bath wastes and traps A55K, A55KM, A550K a A550KM

We launch the new bath wastes and traps with a square control knob A553K and A553KM1. For capacity reasons we had to reduce the production of bath traps in product lines A55x, A550x which will be available again in one month. As an alternative we offer design bath traps A551K, A551KM, A552K and A552KM at a competitive price.
